### Forecast for Saturday 06 Nov 2021

**Weather:** Rather cloudy overnight with some scattered light showers about. A few light showers between limited brighter spells at first Saturday, before a band of occasionally heavy rain spreads from the west late morning, which in turn clears around mid to late afternoon, with only a few well scattered showers thereafter.

**Chance of cloud free mountain/hill tops above 800m:** 60% becoming less than 10% by late morning, before recovering 70% late in day.

**Visibility:** Good becoming moderate or poor in rain and more sporadically in showers, very poor in hill fog with bases extensive above 500m late morning and early afternoon, particularly across western districts.
