

**Yellow warning  
Ice**

Between  
**00:00 Tue 4 Dec 2018** and  
**10:00 Tue 4 Dec 2018**

**Icy patches expected overnight and on Tuesday morning.****What to expect**

- Some injuries from slips and falls on icy surfaces
- Probably some ice on some untreated roads, pavements and cycle paths

**Further details**

Showers will turn more frequent across western Scotland from midnight. With light winds this will allow icy patches to form in some places leading to some hazardous road conditions overnight and on Tuesday morning, including during the morning rush hour. Over hills and mountains showers are expected to be wintry.

✓ Medium likelihood of low impacts
