Forecast for Saturday 06 Mar 2021

Weather: A sunny but cold start with a frost likely in the glens though cloudier across the Ochils and also west of the A9. Staying dry with cloud gradually increasing from the west. Dry but cloudy in the evening.

Chance of cloud free mountain/hill tops above 800m: 80-90%

Visibility: Very good with cloud bases expected to be generally above the summits. Occasional patches of cloud may reduce visibility across higher summits around Braemar and upper Deeside at times in the afternoon and evening.
