Forecast for Saturday 02 Sep 2023

Weather: Dry with clear spells overnight but some mist and low cloud developing. The low cloud will lift and break up through the morning then staying dry and mostly sunny in the afternoon and evening.

Chance of cloud-free hill tops above 700m: 40% becoming 95% through morning.

Low cloud and visibility: Some areas of low cloud overnight and to start the morning, mainly on low to mid-slopes. Otherwise, visibility will be good.
