### Forecast for Wednesday 03 Feb 2021

**Weather:** Occasional bright or clear spells and a scattering of snow showers. The best of the brightness over Skye and around the west coast. However, gales or severe gales over the summits with severe wind chill and blowing snow.

**Chance of cloud free mountain/hill tops above 800m:** 50 to 70%.

**Visibility:** Patches or extensive cloud cover near or above the summits. Often very poor at height in snow showers and blowing snow. Very good on more sheltered low slopes between showers.
