### Forecast for Saturday 06 Feb 2021

**Weather:** Extensive low cloud expected throughout the day, with snow at times across ranges north of Inverness to Torridon. South of this it will be mostly dry, some brighter skies across Skye and the west coast.

**Chance of cloud free mountain/hill tops above 800m:** 20%. Some breaks likely across Skye and the west coast

**Visibility:** Poor in widespread low cloud down to 500 to 700 metres and in any falling snow or drifting snow. Very good outside of cloud in the far west of the area.
