

This is a detailed topographic map of the British Isles, including Great Britain, Ireland, and the surrounding regions of France, the Netherlands, and Scandinavia. The map features a complex network of contour lines indicating elevation, with major peaks labeled with their heights. Notable geographical features include the English Channel, the North Sea, and the Atlantic Ocean. The map is overlaid with a grid of latitude and longitude lines, and various place names and geographical markers are visible throughout the landscape.

This is a detailed topographic map of the British Isles, including Great Britain, Ireland, and the surrounding regions of Scandinavia and the North Atlantic. The map features contour lines indicating elevation, with major peaks labeled with their heights. Key geographical features include the Scottish Highlands, the English Lake District, and the rugged terrain of Ireland. The map also shows the surrounding seas, including the North Atlantic, the Irish Sea, and the English Channel. Various place names and locations are marked, and the map includes a grid system for navigation. The map is oriented with North at the top.
