Forecast for Wednesday 06 Jul 2022

Weather: Cloudy at first with some mist on the tops of northern and western hills allowing for some drizzle at times. Much clearer by lunchtime with some strong sunshine in the afternoon but clouding over again overnight. Breezy on hill tops.

Chance of cloud-free hill tops above 600m: 40% at first becoming 100% by lunchtime and then 60% overnight.

Low cloud and visibility: Widespread cloud with bases around 400m will cover northern and western slopes, clearer for more southeastern hills. All cloud above the summits by lunchtime. Patchy cloud will return to northern and western slopes with bases around 500m in the evening.
